### FURTHER INFORMATION

Emissionsvolumen	300'000 VONCERT Open End, the size may be increased
Reference Currency	USD
Issuer Call Rights	The issuer has the right to call the certificates for early termination anytime (termination date). The respective notice has to be published 1 month in advance. The evaluation day corresponds in this case to the termination date. In case that any of the dates is not a business day, the following business day applies. Valuation time is the London Gold p.m. fixing.
Investor's right to terminate	In addition to the option to sell certificates within the respective trading times on or off the floor, the investor has the right to exercise his certificates annually on the fourth Friday in August (initially on 22 August 2008). The Paying Agent must receive the exercise declaration on the exercise date by no later than 10.00 a.m. (local time in Zurich). The valuation date is the exercise date. If the valuation date does not fall on a banking day, the next banking day shall be considered the valuation date. Valuation time is the London Gold p.m. fixing.
Repayment amount	At exercise day, each VONCERT Open End will be reimbursed considering the ratio, the price of the underlying at valuation time on valuation date, published on Reuters page XAUFIX=
