Persons, who obtain possession of the Product Documentation, are required to inform themselves about and to adhere to any such restrictions which are set out in more detail under section 2 headed "Selling Restrictions" in the Base Prospectus. Particular attention should be paid to the selling restrictions set out in the Base Prospectus with respect to the following jurisdictions: European Economic Area (EEA), United States of America and United Kingdom. These restrictions must not be taken as conclusive guidance as to whether the Products can be sold in a jurisdiction. As regards the EEA the below section "Prohibition of Sales to EEA Retail Investors" further specifies the applicable set of rules.

The Product Documentation does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation.

**Prohibition of Offer to Private Clients in Switzerland**

Not applicable; a key information document required under article 58 para. 1 FinSA in connection with article 59 para. 2 FinSA has been prepared in respect of the Products which is available for download on the website of the Issuer at [structuredproducts.lukb.ch](http://structuredproducts.lukb.ch).

A key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Products or otherwise making them available to retail investors in the European Economic Area ("**EEA**") has been prepared.
