Investors should read the section "Significant Risks" below as well as the section "Risk Factors" of the relevant Issuance and Offering Programme, as amended from time to time. By investing in this product (the "Product"), the Investor may put the capital that he invested in this Product at risk and, in addition, transaction costs may incur. Investors may lose some or all of their capital invested in the Product as well as the transaction costs. Investors are exposed to the credit risk of the Issuer. Even though translations into other languages might be available, only the English version of the Final Terms or Pricing Supplement and the relevant Issuance and Offering Programme are legally binding.

For Switzerland:

This Product is a derivative instrument according to Swiss law. It does not qualify as unit of a collective investment scheme pursuant to articles 7 et seqq. of the Swiss Federal Act on Collective Investment Schemes ("CISA") and is therefore neither registered nor supervised by the Swiss Financial Market Supervisory Authority ("FINMA"). Investors do not benefit from the specific investor protection provided under the CISA. This document constitutes advertising within the meaning of article 68 of the Swiss Federal Act on Financial Services ("FinSA"). This document is a termsheet prepared in view of the issuance of the Products and neither a prospectus within the meaning of articles 35 et seqq. of the FinSA, nor a private placement documentation, nor a key information document according to articles 58 et seqq. of the FinSA or any equivalent document under the FinSA. The information contained in this document is not complete and is subject to completion and amendment. This document has neither been reviewed nor approved by a reviewing body pursuant to articles 51 et seqq. FinSA. This document does not, and is not intended to, constitute or contain an offer or invitation to sell, and it is not soliciting offers to buy, the Product in any jurisdiction where such offer or sale is not permitted.

Product Description

This Product offers the Investor a periodic opportunity to receive a Conditional Coupon Amount. In addition, the Product can also be early redeemed if the relevant conditions are met on any of the pre-defined Autocall Observation Dates. If no Early Redemption has occurred and the Final Fixing Level of the Underlying with the Worst Performance is at or above the respective Strike Level, the Investor will receive on the Redemption Date a Cash Settlement equal to the Denomination. If the Final Fixing Level of the Underlying with the Worst Performance is below the respective Strike Level, the redemption of the Product will depend on the value of the Underlying with the Worst Performance, as described in section "Redemption".

If any of the above-mentioned Autocall/Coupon Observation Dates is not an Exchange Business Day for an Underlying, the next following Exchange Business Day for that Underlying shall be the respective Autocall/Coupon Observation Date. General Terms and Conditions apply also to the Autocall/Coupon Observation Dates as if they were Final Fixing Dates. If any of the above-mentioned Early Redemption or Coupon Payment Dates is not a Business Day, the next following Business Day will apply. For the avoidance of doubt, a Coupon Payment Date will never be later than the Early Redemption Date.

REDEMPTION

Provided that no Early Redemption has occurred on one of the previous Autocall Observation Dates, the Investor is entitled to receive the Conditional Coupon Amount(s) on the relevant Coupon Payment Date(s), subject to the Conditional Coupon Amount provisions.

Provided that no Early Redemption has occurred on one of the pre-defined Autocall Observation Dates, the Investor is entitled to receive from the Issuer on the Redemption Date per Product:

Scenario 1	If the Final Fixing Level of the Underlying with the Worst Performance is below the respective Strike Level, the Investor will receive a round number (i.e. Conversion Ratio) of the Underlying with the Worst Performance per Product. Any potential fractional Conversion Ratio entitlements (Fraction of Underlyings) will be paid in cash, based on the Final Fixing Level. Fractions of Underlyings will not be cumulated.
Scenario 2	If the Final Fixing Level of the Underlying with the Worst Performance is at or above the respective Strike Level, the Investor will receive a Cash Settlement in the Settlement Currency equal to: Denomination

Initial Fixing Level	An observed price of the respective Underlying on the Initial Fixing Date on the Related Exchange, as determined by the Calculation Agent.
Final Fixing Level	Official close of the respective Underlying on the Final Fixing Date on the Related Exchange, as determined by the Calculation Agent.
Worst Performance	For each Underlying the performance is calculated by dividing its Final Fixing Level by the respective Initial Fixing Level. The Worst Performance corresponds to the lowest of all so calculated values, as determined by the Calculation Agent.
Early Redemption	Provided that on one of the pre-defined Autocall Observation Dates the official close of all Underlyings is above their Autocall Trigger Level, an Early Redemption will occur and the Product will expire immediately. The Investor will receive on the relevant Early Redemption Date a Cash Settlement which equals the Denomination. No further payments will be made.
Coupon Trigger Event	A Coupon Trigger Event shall be deemed to occur, if on any Coupon Observation Date all Underlyings close above their respective Coupon Trigger Level, as reasonably determined by the Calculation Agent.

TAXATION SWITZERLAND

Swiss Federal Stamp Duty	Secondary market transactions are not subject to Swiss stamp duty. The possible Delivery of the Underlying may be subject to Swiss stamp duty.
Swiss Federal Income Tax (for private investors with tax domicile in Switzerland)	For private investors with tax domicile in Switzerland holding the Product as part of their private property, gains realised during the term of the Product and on the Redemption Date qualify as capital gains and are therefore not subject to the Federal Direct Tax. The tax treatment regarding the cantonal and communal income taxes can differ from the tax treatment regarding the Federal Direct Tax. But in general the income tax treatments are corresponding.
Swiss Withholding Tax	The Product is not subject to Swiss withholding tax.

The tax information provided herein is a non-binding summary and only provides a general overview of the potential Swiss tax consequences linked to this Product at the time of issue. Tax laws and tax interpretation may change at any time, possibly with retroactive effect.

Investors and prospective Investors are advised to consult with their tax advisers with respect to the Swiss tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a Product in light of their particular circumstances. The Issuing Parties and the Lead Manager hereby expressly exclude any liability in respect of any possible tax implications.

Information with regards to FATCA (Foreign Account Tax Compliance Act)

Any payment under this Product may be subject to withholding tax (such as, inter alia, withholding related to FATCA or 871(m) of the US Tax Code). Any payments due under this Product are net of such tax. If an amount in respect of Section 871(m) of the U.S. Tax Code were to be deducted or withheld from interest, principal or other payments on the Products, none of the Issuer, any Paying Agent or any other person would be required to pay additional amounts as a result of the deduction or withholding of such tax, i.e. the Investor would receive a significant lower amount than he would have received without such deduction or withholding.

PRODUCT DOCUMENTATION

It is intended that the Products will be issued under a base prospectus ("Base Prospectus") as per article 45 FinSA approved by SIX Exchange Regulation AG ("SIX Exchange Regulation") in its capacity as Swiss Prospectus Office. Only the Final Terms, which will be available no later than on the Issue Date, together with the Base Prospectus of the relevant Issuance and Offering Programme (the "Programme") dated 18 June 2024 containing all further relevant terms and conditions, shall form the entire and legally binding documentation for this Product ("Product Documentation"). The Final Terms will be registered with SIX Exchange Regulation in its capacity as Swiss Prospectus Office. The Final Terms should always be read together with the Base Prospectus. Definitions used in this Termsheet, but not defined herein, shall have the meaning given to them in the Final Terms and the Base Prospectus. Even though a translation into other languages might be available, only the English version of the Final Terms jointly with the Base Prospectus are legally binding.

The Products may be offered, sold or advertised, directly or indirectly, in Switzerland to retail clients (Privatkundinnen und -kunden) in the meaning of the FinSA ("Retail Clients") in accordance with the FinSA.

A Swiss key information document / key information document in accordance with Regulation (EU) No 1286/2014 (the "PRIIPs Regulation") has been prepared in relation to the Products and may be obtained, free of charge, upon request from the Lead Manager (see the contact details below).

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions of the Programme. In addition, any changes with regard to the terms and conditions of this Product will be published on www.leonteq.com under the section "Products" or, for listed products, in any other form as permitted by the rules and regulations of the relevant Exchange. Notices to Investors relating to the Issuing Parties will be published under the section "About Leonteq" on www.leonteq.com and/or on the web page of the respective Issuing Party.

Insofar as this publication contains information relating to a Packaged Retail and Insurance-based Investment Product (PRIIP), a Key Information Document in accordance with the PRIIPs Regulation is available and can be obtained from www.priipkidportal.com. Other regulatory documents including the Target Market Assessment are also available, or can be requested, from the same portal.

During the whole term of this Product, the Product Documentation can be ordered free of charge from the Lead Manager at Europaallee 39, 8004 Zurich (Switzerland), via telephone (+41 58 800 1111*), fax (+41-(0)58-800 1010) or via e-mail (termsheet@leonteq.com). GUARANTEE

This Product is secured under the Guarantee Agreement between the Issuer and the Guarantor which is governed by Swiss law. The Guarantor guarantees for the payment of the redemption amount or any other cash settlement amount, or, as the case may be, to deliver the Underlying, in cases of the Issuer's failure to deliver the Underlying or make payment of the redemption amount or any other cash settlement amount for the benefit of the Investor in respect of any Product that is issued by the Issuer and for which the Guarantor guarantees.

The Guarantee Agreement applicable to this Product is included in the Programme of the relevant Issuer valid as per the Initial Fixing Date and a signed copy may be ordered free of charge from the Lead Manager

SIGNIFICANT RISKS

Prospective Investors should ensure that they fully understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product as well as the transaction costs. Prospective Investors shall consider the following important risk factors and read the section "Risk Factors" of the Programme for details on all other risk factors to be considered.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for their portfolio taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Product Specific Risks: Unless this Product is capital protected, investors may lose some or all of their investment as well as the transaction costs as they are fully exposed to the performance of the Underlyings. The Product does not confer any claim to receive rights and/or payments of the Underlying, such as dividend payments, unless explicitly stated in the documentation governing the Product. Please refer to the Product Documentation as regards the further Product specific risk factors to be taken into account.

Issuer Risk: Investors are exposed to the credit risk of the Issuer. If the Issuer is not able to make a payment or becomes insolvent, investors could lose some or all of their investment.

Market Risk: Market risk may have a negative impact on the value of and the return on an investment in the Product. Market risk is the risk associated with the effect of changes in market factors such as interest and foreign exchange rates, equity and commodity prices, credit spreads or implied volatilities, on the value of assets and liabilities held for both the short and long term. Market risk may also lead to an early redemption of the Product (e.g. in the event of a hedging disruption).

Liquidity Risk: The Issuer or, as the case may be, the guarantor or a third party appointed by the Issuer or guarantor, if any, intends to act as market maker in relation to the Product and it will use commercially reasonable efforts to provide indicative bid and offer prices for the Product on a regular basis under normal market conditions. However, such market maker does not have an obligation to provide prices for the Product. Liquidity of the Product in the secondary market may be limited and an active trading market for the Product may not develop. Accordingly, investors may not be able to sell their Product.

Currency Risk: If the investor's reference currency is different from the currency, in which the Product is denominated, the investor bears the currency risk between the two currencies. The fluctuations in exchange rates could have an adverse effect on the value of or return on an investment in the Product, even if the redemption amount would otherwise provide for a positive return. If the Underlyings are calculated in a currency different from the Currency of the Product, the conversion into the Currency of the Product will be carried out at the relevant exchange rate.

Early Termination and Reinvestment Risk: The Product may be redeemed prior to its maturity (be it by declaration of the issuer or as a result of certain events specified in the terms of the Product) and investors must consider that in case of such an early redemption, investors will not receive any further coupon payments after the occurrence of the early redemption and the early redemption amount may be significantly below the issue / purchase price paid and the redemption amount payable at maturity. Investors may not be able to reinvest the early redemption amount in a financial instrument with the same profit potential and additional transaction costs may be incurred as a consequence of a reinvestment of the early redemption amount.

Illiquidity of Underlying: One or, if applicable, more of the Underlyings might be or become illiquid over the lifetime of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.
